About me

Hi! I'm Hassan, a ghl & zapier specialist with about 7 years of experience in home services and e-commerce. I speak Urdu (native), English (fluent), Punjabi (native). Tools I use: GoHighLevel, Zapier, Twilio and Freshdesk. Also good at: Missed-call text back, review requests.

Experience

07/2021 - now: Automation Specialist at Indus Digital (home services)
Automated lead follow-up and appointment reminders with GoHighLevel and Zapier for home services accounts. Set up Twilio numbers and A2P 10DLC registration so home services text messages were delivered.

02/2019 - 06/2021: Customer Support Agent at TeleCall Lahore (e-commerce)
Handled 50-70 Freshdesk tickets a day for e-commerce customers with a 95%+ satisfaction score.

Education: B.Com, University of the Punjab, 2018
